WELCOME!

You are part of one of the most exciting training events held in any local church. Our Ministries Grow Team and I want to welcome you to Midnight Madness 2015. The entire Ministries Team has worked for many months to provide this enjoyable and informative training event. We thank God for each of you who serve in our Life Bible Study and trust this event will bless your ministry.

Some are here tonight who do not yet serve in Life Bible Study but are exploring the possibilities. I trust the classes will give each of you insight into the ministry opportunities serving through Life Bible Study.

Life Bible Study is a foundational ministry for our discipleship process. Every believer or seeker is blessed through regular Bible study and from the community that is developed through participation in a Life Bible Study class. Because of the importance of the Life Bible Study ministry's huge task, it requires that all our leaders are skilled and equipped to do an effective work. Because we desire that our Life Bible Study groups make an impact on the church body as a whole, it requires that every leader must be at their best. I always urge those attending a conference to approach the training like a miner looking for that one special golden nugget which will be a word from God to you. It might be a new insight or a renewed commitment to the task in Life Bible Study He has called you to.

Thanks for your faithfulness to our Lord, Houston's First, and our Ministry Team.

In Christ,

Ben Pritchett
Minister of Education
